Anniversary Celebration: The Jefferson County League of Cities Board rescheduled the regular JCLC June Monthly Member Meeting to June 17, 2015. It is organized in a reception format in honor of the 60th Anniversary of the creation of the Jefferson County League of Cities (JCLC). The reception opened at 7:00PM at Captain's Quarters Restaurant.

Representatives of the JCLC Board, the business community, Mayor Greg Fischer, the Louisville Metro Council, and Suburban City Mayors and officials, mixed and mingled in this reception atmosphere that included food and drink.

Mayor Bill Dieruf, JCLC President, welcomed everyone during a brief program. He thanked everyone for attending and opened the room for introductions. He acknowledged Mayor Robert Groemling for over forty years of service as Mayor of the City of Westwood. He expressed his appreciation to Mayor Greg Fischer, Metro Council members and Jon Steiner, Kentucky League of Cities Executive Director/CEO, for their support of the JCLC. He also thanked Mayor David Brown, City of Seneca Gardens, Mayor Bonnie Jung, City of Douglass Hills, Mayor Jim Ising, City of Windy Hills, Jack Will, JCLC Executive Director and City of Jeffersontown staff for their assistance in organizing this event.

Mayor Dieruf and Mayor John Evans, City of Prospect, gave an historical overview of the JCLC with some memories from the JCLC Board minutes in the 1980s. Mayor Dieruf noted the issues reviewed and the similarity between the mission of JCLC and City issues in the 1980s with current ones. Jack Will was called on to assist with door prizes. Jack thanked Mayor Bonnie Jung and Jean Henry, Lawrence Concrete Design for their contribution of restaurant gift certificates. He also thanked Plehn's Bakery, via Councilman Bernie Bowling, for the anniversary sheet cake. Jack also contributed two tickets to a Louisville City Soccer team game.

Mayor Dieruf returned the program to the reception format and encouraged everyone to stay and enjoy themselves. Reception ended at approximately 9:00PM
